

BRAEBURN KISUMU INTERNATIONAL SCHOOL

Term 2 Week 3 Newsletter

Dear Parents and Guardians,

Welcome to our third Newsletter this term. As is our practice, students have had a FRESH week taking in all the fun and invigorating learning experiences. Here is a summary of some activities that took place.

MARTIN LUTHER KING DAY.

We were not left behind when the whole world marked the famous MLK day. Students dived into activities where they wrote poems, made face masks, wrote newspaper reports, made hand prints and researched famous quotes by Martin Luther King Jnr. Students also listened to his inspirational speech that speaks of tolerance as a key element to coexistence. Students sat to have lunch with new friends and it was evident from their faces that they were delighted to learn something new about a student they had never interacted with. Well done to Mr. Rwenyo and Ms. Donia for spearheading these activities.

Students having lunch with a new friend.

KSF SWIMMING GALA

BKIS was part of the KSF Swimming Gala that took place last Saturday. A huge thank you to all the students who took part in the Gala. We are in the process of getting all the medals and they will be presented to students next week on Friday. Out of this Gala three of our students Annika, Emilia and Krit were chosen to be part of the team representing Kisumu in the Annual Turi Upcountry Swimming Gala that takes place on Tuesday next week. We wish them well as they travel to Turi for the competition.

Krit, Annika and Emilia.

NAIROBI ACADEMY VERSE SPEAKING.

Talent is alive in BKIS. Three of our students will be taking part in this annual Verse Speaking competition this weekend at Nairobi Academy. It was lovely listening to their poems during the whole school assembly and we wish them the best of luck as they compete with other students.

Alexis, Dhara and Ashley presenting their poems at assembly.

26TH ANNUAL MSMUN CONFERENCE

The students have been taking part in the 26th Annual MSMUN conference this week. This year's theme is; **OUR VISION: MY MISSION**. For the duration of the conference delegates have been exposed to talks during the General Assemblies from various dignitaries focusing on building leadership for tomorrow. BKIS has been representing Mexico and Central African Republic. The delegation for Mexico comprised of Maaya (Ambassador and Health committee), Max (Technology Committee), Fidel (Human Rights Committee) and Tyler (Ecology Committee). The delegation for CAR comprised of Aiden (Ambassador and Health committee), Pete (Technology committee), Mohammed (Human Rights committee) and Levi (Ecology committee). Our students had a chance to Lobby, Amend and debate resolutions which they had written last term. It entails rigorous research and diverse knowledge in over 100 countries. The objective of the club is to develop confidence of students by enriching skills in research, presentation, debating, lobbying, problem solving and diplomacy. It is no mean feat interacting and networking with over 1000 delegates for a week!
