

# BRAEBURN KISUMU INTERNATIONAL SCHOOL

## Term 2 Week 10 Newsletter

Dear Parents and Guardians,

The assessment week came to a successful end yesterday. Our students from Year One to Year Ten have been having the End of Term Tests. The students are anxiously waiting for the results of the assessments which will form the next steps of the learning process. It is our hope that the results will reflect the great effort they put in learning.

### EAMUN & MSMUN

This term has been a busy one for the EAMUN and MSMUN delegates. They had the opportunity to interact with their peers at the UN headquarters in Nairobi. In our assembly today, they received their beautiful certificates from the executive committee in charge of the events. It is also encouraging to note that Vanessa was voted as the Best Speaker in the Ecology committee; a great achievement indeed. Congratulations to the teams under the guidance of Mr Rwenyo and Ms Faith.

### Remote Teaching and Learning in BKIS

Our emphasis on the use of different learning platforms still remains a priority. All these help in the realisation of modern learning which encourages:

- Critical thinking and problem solving
- Communication
- Collaboration and
- Creativity and innovation

Over the years, **Google classroom**, **EducationCity**, **Myimaths** and **Study ladder** among others have been used to enhance remote teaching and learning with great level of success. We would like to encourage the use of these platforms as much as possible.

### COVID-19 Update

We are continuously monitoring the advice and recommendations regarding COVID-19.

The Kenya Association of International Schools (KAIS) have made the following recommendations:

- All inter-school sports fixtures and tournaments cancelled with immediate effect for KAIS schools.
- All educational trips cancelled with immediate effect for all KAIS schools.

Braeburn Kisumu will be following these recommendations. We will be communicating further information regarding specific school events that have been cancelled. Please note that our school will remain open.

As had been communicated earlier, it is advisable that medical attention is sought should any student develop flu like symptoms. It is also important that we sanitize our hands at the school security gate as you come into the compound.

### School Production Rehearsals

We shall still continue with the rehearsals of the production as much as the staging at Simba club will not take place this term.

### Assembly Acknowledgements

*Assembly Ensemble*

*Happy Birthday wishes*

*Music Presentations: Linda and Hawi*

*Highest House Points Achievers*

50 House Points Achievers

FS1 Assembly Presentation

Year 9 Assembly Presentation
